

ROLL NO	Years	Topic
1	18, 17, 16, 15, 14,13, 12	Intrusion Detection and Prevention System with Cloud Computing.
2	2023,22,21,20,19	Impacts Of Virtualization On Network Management
3	18, 17, 16, 15, 14,13, 12	Impacts Of Virtualization On Network Management
4	2023,22,21,20,19	Use of AI to improve cloud services & operations
5	2023,22,21,20,19	Cloud computing systems and architecture
6	2023,22,21,20,19	Edge computing systems, architecture and application
7	2023,22,21,20,19	Fog computing systems, architecture and application
8	2023,22,21,20,19	Cloud computing security: threats, vulnerabilities and mitigation techniques
9	2023,22,21,20,19	hybrid cloud computing: integration, security and performanec
10	2023,22,21,20,19	cloud computing for healthcare: privacy, security and data management
11	2023,22,21,20,19	cloud computing for small and medium businesses: challenges and opportunities
12	2023,22,21,20,19	cloud computing for scientific and high-performance computing
13	2023,22,21,20,19	cloud computing and blockchain: integration and applications
14	2023,22,21,20,19	cloud computing for IoT and edge computing
15	2023,22,21,20,19	cloud computing and 5G network: oppurtunities and challenges
16	2023,22,21,20,19	Cloud Computing Techniques for Cloud Bursting
17	2023,22,21,20,19	Use of cloud computing in medical sector
18	2023,22,21,20,19	Cloud computing applications in Remote sensing
19	2023,22,21,20,19	Big Data in Cloud Computing
20	2023,22,21,20,19	Cloud Deployment Model
21	2023,22,21,20,19	Intrusion Detection and Prevention System with Cloud Computing.
22	2023,22,21,20,19	Utilizing Cloud technologies in Education sector
23	2023,22,21,20,19	Role of cloud in smart agriculture
24	2023,22,21,20,19	Resource Management and optimization in cloud
25	2023,22,21,20,19	Green Cloud Computing
26	2023,22,21,20,19	Cloud Cryptography, Cloud Scalability
27	2023,22,21,20,19	Cloud computing security: threats, vulnerabilities and mitigation techniques
28	2023,22,21,20,19	Performance evaluation of different cloud computing architectures and deployment models
29	2023,22,21,20,19	Mobile cloud computing
30	18, 17, 16, 15, 14,13, 12	Cloud cryptography
31	18, 17, 16, 15, 14,13, 12	Cloud computing for small and medium businesses: challenges and opportunities
32	18, 17, 16, 15, 14,13, 12	Cloud computing for healthcare: privacy, security and data management
33	18, 17, 16, 15, 14,13, 12	Cloud computing for scientific and high-performance computing
34	18, 17, 16, 15, 14,13, 12	Cloud computing for gaming: latency, scalability and performance optimization
35	2019, 2020, 2021, 2022	Impacts of Cloud Computing in India on E-Commerce Businesses
36	18, 17, 16, 15, 14,13, 12	Cloud computing and blockchain: integration and applications
37	18, 17, 16, 15, 14,13, 12	Cloud computing for Internet of Things (IoT) and edge computing
38	18, 17, 16, 15, 14,13, 12	Intrusion Detection and Prevention System with Cloud Computing.

39	18, 17, 16, 15, 14,13, 12	cloud computing and 5G network: oppurtunities and challenges
40	18, 17, 16, 15, 14,13, 12	Security related to cloud computing
41	18, 17, 16, 15, 14,13, 12	Grid Computing
42	18, 17, 16, 15, 14,13, 12	cloud computing for scientific and high-performance computing
43	18, 17, 16, 15, 14,13, 12	Cloud computing for smart cities: data management, privacy and security
44	18, 17, 16, 15, 14,13, 12	Cloud computing systems and architecture
45	18, 17, 16, 15, 14,13, 12	Cloud Computing Techniques for Cloud Bursting
46	18, 17, 16, 15, 14,13, 12	Hybrid cloud computing: integration, security and performance
47	18, 17, 16, 15, 14,13, 12	Edge computing systems, architecture and application
48	18, 17, 16, 15, 14,13, 12	Fog computing systems, architecture and application
49	18, 17, 16, 15, 14,13, 12	Green Cloud Computing
50	18, 17, 16, 15, 14,13, 12	Impacts of Cloud Computing in India on E-Commerce Businesses
51	18, 17, 16, 15, 14,13, 12	Big Data in Cloud Computing
52	2019, 2020, 2021, 2022	Impacts Of Virtualization On Network Management, Server Virtualization and the Benefits
53	18, 17, 16, 15, 14,13, 12	Resource Management and optimization in cloud
54	18, 17, 16, 15, 14,13, 12	Role of cloud in smart agriculture
55	18, 17, 16, 15, 14,13, 12	The role of cloud computing in financial services: security, compliance and innovation.
56	2019, 2020, 2021, 2022	Use of Cloud to Improve AI Research and Deployment
57	18, 17, 16, 15, 14,13, 12	Use of AI to improve cloud services & operations
58	18, 17, 16, 15, 14,13, 12	Use of cloud computing in medical sector
59	18, 17, 16, 15, 14,13, 12	Utilizing Cloud technologies in Education sector
60	18, 17, 16, 15, 14,13, 12	Cloud Computing and VR
61	2023,22,21,20,19	Cloud Computing in Social Networks
62	18, 17, 16, 15, 14,13, 12	Cloud Computing in Social Networks
63	2023,22,21,20,19	The role of containerization in cloud computing
64	18, 17, 16, 15, 14,13, 12	MOBILE CLOUD COMPUTING
65	2023,22,21,20,19	Cloud Automation
66	any year	The impact of cloud computing on employment and the IT workforce
67	2023,22,21,20,19	Impacts of Cloud Computing in India on E-Commerce Businesses
68	18, 17, 16, 15, 14,13, 12	Cloud Deployment Models: Public/Private/Hybrid Cloud
69	2023,22,21,20,19	Cloud Migration
70	any year	Application and Challenges of Deploying Cloud Computing in eHealth
71	2023,22,21,20,19	Virtualization Technologies
72	18, 17, 16, 15, 14,13, 12	Virtualization Technologies
